Introduction to SETU in Carlow

Helena Fitzgerald
Head of Learner Support and Student Services

Welcome to SETU!

We are delighted to have you here and wish you every success as you begin this exciting new chapter. We hope your time at SETU will be filled with learning, new friendships, and great opportunities.

Student Services in the Barrow Centre, provides a range of supports to help students make the most of their time at SETU. The service is there to support students' personal, academic, social, and overall wellbeing needs throughout their college journey. These supports include:

- Student advice and information
- Disability and Learning Support
- Counselling and Wellbeing
- Careers guidance and Employability Support
- Accommodation information
- Student engagement and orientation activities
- Financial Support

Students are encouraged to contact Student Services whenever they need advice, guidance, or support.

Support for Students with Disabilities

SETU's Disability Office provides support and guidance to students with disabilities, long-term health conditions, mental health conditions, and specific learning difficulties. The service aims to promote equal access to education and help students participate fully in college life.

Support may include:

- Extra time in examinations
- Rest breaks during examinations
- A separate or smaller examination venue
- Use of a computer or assistive technology
- Use of a reader or scribe, where appropriate
- Alternative examination formats
- Accessible course materials
- Note-taking or learning support
- Accessible classrooms and facilities

Students are encouraged to contact the Disability Office as early as possible to discuss their individual needs and the supports available to them.

Angela Costelloe

Clodagh Dougherty

Allison Ritchie

Anna Graham

John Cahill

Student seeking additional support, must register with the Disability Office by completing the online Student Services Needs Assessment form and provide appropriate documentation to access additional supports. Students will then be contacted to arrange an appointment to complete the Needs Assessment. Please scan the QR code for further information.

Quiet Spaces and Places

Sensory Room in The Barrow Centre

Quiet Area in the Barrow Centre

Sensory Pods in the Library

Peer Mentoring

During First Year Orientation, peer mentors help create a welcoming and supportive environment where first-year students can socialise, connect with peers, and receive informal support, with further information available when you scan the QR code.

Timetables

Timetables for full-time and part-time courses are available at the QR code below, and students should check them regularly as changes may occur.
