Skills and experience

Louise Grubb, BSC, MBS

Founder & CEO TriviumVet

Louise is a serial life science entrepreneur with a proven track record of building successful businesses and launching products globally.

Founder of TriviumVet, Louise continues to shape the med-tech landscape developing innovative, novel veterinary therapeutics and diagnostics to treat disease in companion animals.

She is an advocate for promoting women entrepreneurs particularly in life sciences and encouraging people of all backgrounds to consider careers in STEM.

Louise was awarded the IMAGE Ireland Award for Business Woman of the Year 2023.
