

Calling Care Experienced Students

We're launching an exciting new project to create a support system for SETU students and WE WANT YOU to be part of it!

Who are we looking for?

- 4 SETU students who have lived in residential, foster or kinship care and are passionate about improving support networks for students like you

What's Involved?

- Work with others to design a support system that meets real needs.
- Share your insights and ideas.

What's in it for you?

- Make a real difference
- Get paid for your time and contribution
- Training and skills enhancement, great for CV
