

CRICKET
IRELAND

Lead Physiotherapist – Women's programme

Candidate Brief

BACKGROUND

Cricket Ireland is the governing body for the game at both performance and participation levels throughout all-Ireland, representing the interests of both the men's and women's game. Cricket Ireland was awarded ICC Full Membership in 2017.

The Ireland Women's team have recently competed in the ICC T20 World Cup in England and compete in the ICC Women's Championship. Cricket Ireland have also recently awarded professional contracts across the women's performance in various levels and bands.

Underpinning both our women's team is our Women's Super 2's structures; our Talent Pathway Programme and International Youth teams from under 15 to 19 girls; and a women's development programme.

JOB PURPOSE

Cricket Ireland is seeking a full-time Physiotherapist for their Women's Performance programme.. The position is headquartered in Dublin, working out of the Sport Ireland Institute in Abbotstown, but the nature of the role demands a national brief across both sides of the border as well as frequent time travelling overseas for periods of up to 3-4 weeks at a time.

The position will support the day to day running of the sports medicine operations of this squad with occasional input into our international pathways and Men's senior squad when required whilst collaborating and working under the Cricket Ireland Head of Sport Science, physiotherapy and medical services (SSSM lead).

The successful candidate **must be eligible to work in the European Economic Area (EEA)** and, if not currently eligible, will need to successfully apply for an appropriate employment permit, which can take up to 3 months.

REPORTING and MANAGEMENT

The successful candidate will be line-managed by the Head of Sport Science, physiotherapy and medical services but will also have a vital channel of communication into the broader MDT and coaching staff.

Purpose of the role

- To provide high quality Physiotherapy support to the Irish Women's Cricket programme. This role will require the successful candidate to be based in and around Dublin with extensive international travel. There will also be a requirement to travel to Belfast at certain times to service players based in Northern Ireland when required. The nature of the role may necessitate working irregular hours and occasional weekends in line with the requirements of the Ireland Women's performance Squad.

Attributes Required

- You have a passion for ensuring the delivery of high-quality physiotherapy and player support in sporting environments.
- You are passionate about working with a team to solve problems.
- You enjoy being adaptable and having a varied work programme including overseas travel where required.

Key Responsibilities

- Deliver high quality physiotherapy and rehabilitation support as well as regular physical profiling to Ireland Women's performance squad (as well as pathway players and Senior men squad members as required) under the direction of the Head of Sport Science, Physiotherapy and Medical Services (SSSM lead).
- Support the delivery of strategies for player availability under the direction of, and collaboration with the SSSM lead.
- Support the delivery of specific performance projects and initiatives across physiotherapy and science and medicine in collaboration with the SSSM lead and performance services manager.
- Collaborate effectively with the Cricket Ireland MDT members, to ensure injury prevention and rehabilitation programmes are designed and delivered as effectively as possible.
- Contribute to a culture of working within the High-performance department that is inclusive, joined up and encourages high levels of effective team working and communication.
- Work closely with the Strength and Conditioning team and coaches to support the delivery of effective processes regarding workload monitoring, planning and management.
- Facilitate onward referrals for diagnostics and specialist care for players when required.
- Travel extensively overseas with the Women's performance squad for training camps and international fixtures

Experience

Essentials

- Extensive experience of working in team sport, preferably at professional level and within Cricket.
- Degree in Physiotherapy
- A track record of excellent team working attributes including high levels of communication.
- Significant understanding of the needs of elite level athletes
- High-quality physiotherapy treatment and rehabilitation skills including taping and strapping.
- Effective diagnostic/clinical decision-making skills.
- Registration with CORU. Ireland's body responsible for regulating Health and social care professionals.
- Current Advanced Trauma Management and Emergency Care accreditation (can be provided).
- High standards of personal and professional integrity.
- Excellent communication and interpersonal skills.
- Full Driver's license and access to a car
- An active Garda Vetting check (can be provided)

- A valid passport

Desirables

- International Cricket experience
- MSc in Sports Medicine or Sports Physiotherapy
- Experience in working with various technologies to monitoring, tracking, measuring and analysing the physical demands of international cricketers.

Remuneration

- Salary: €58,000 - €68,000 per annum. The salary offered will be determined based on the successful candidate's qualifications, relevant experience, skills, and internal pay equity considerations.
- Holiday – 26 days a year
- Private Health Insurance
- Tour fee payments scheme as a substitute to TOIL
- Life assurance when overseas
- Employee Assistance Programme - 24/7 confidential access to expert services including counselling, wellbeing, and independent legal and financial advice.
- Laptop and Mobile phone

Process

- The closing date for applications will be 30 September 2026.
- Letters of application and full CVs should be sent by email to recruitment@cricketireland.ie
- Please include "Women's Team Physiotherapy Position " in the subject title.
- If you are shortlisted following the application process, interviews will be held as soon as possible after the closing date.
- For a confidential discussion about the role, please contact Mark Rausa on +353871848607 or by email on mark.rausa@cricketireland.ie
