

About the SETU EDI Calendar

The SETU Equality, Diversity and Inclusion (EDI) Calendar highlights a selection of religious, cultural and EDI-related observances throughout the year. We hope it encourages awareness, understanding, and inclusion across the SETU community.

Communities around the world observe many important traditions, festivals, and awareness dates, and it has not been possible to include them all. We value and respect all traditions and observances, including those not featured in this calendar.

Some dates may vary depending on cultural traditions, local customs or lunar sightings.
