TESTIMONIALS

TAWNYA FOSTER

College in Ontario: Durham College
Course studied in Ontario: Human Resources Business Administration
Course studied in Carlow: Bachelor of Business (Honours) in Human Resources Management

Year of graduation from Carlow: 2019

“ Five years after graduating from SETU, I look back on my time there as a truly life-changing experience, one filled with fond memories. My career in Human Resources has flourished since then and I currently working on the HR Partnerships team at a university in western Canada. The skills I gained in Ireland have played a huge role in my professional success and the experience helped me grow personally, broadening my perspective and making me more adaptable. Studying abroad was one of the best decisions I’ve ever made. I highly recommend SETU to anyone considering studying in Ireland — it offers a unique experience outside of the city of Dublin and a vibrant student life in Carlow that will leave you with memories that will last a lifetime. ”

“ Choosing to study internationally has been one of the most impactful decisions I made for my education, life and career. Being featured as the Student of the Year highlighted this journey and validated the skills I gained abroad. The experience broadened my worldview and strengthened my adaptability, problem-solving and cultural awareness. Exposure to diverse perspectives and global business practices has enriched my understanding of international markets and cross-cultural collaboration — qualities that employers highly value in today’s globalized workplace. This international experience has been a standout point on my resume, sparking meaningful conversations with employers and often setting me apart in competitive hiring processes. ”
