LEARN MORE. GO FURTHER.

The idea behind SETU Lifelong Learning is that none of us are really ever finished with education. Whether we know it or not, we're learning all the time. It's when we embrace the possibilities continuing education presents that we realise how it can transform our lives. Personally and professionally.

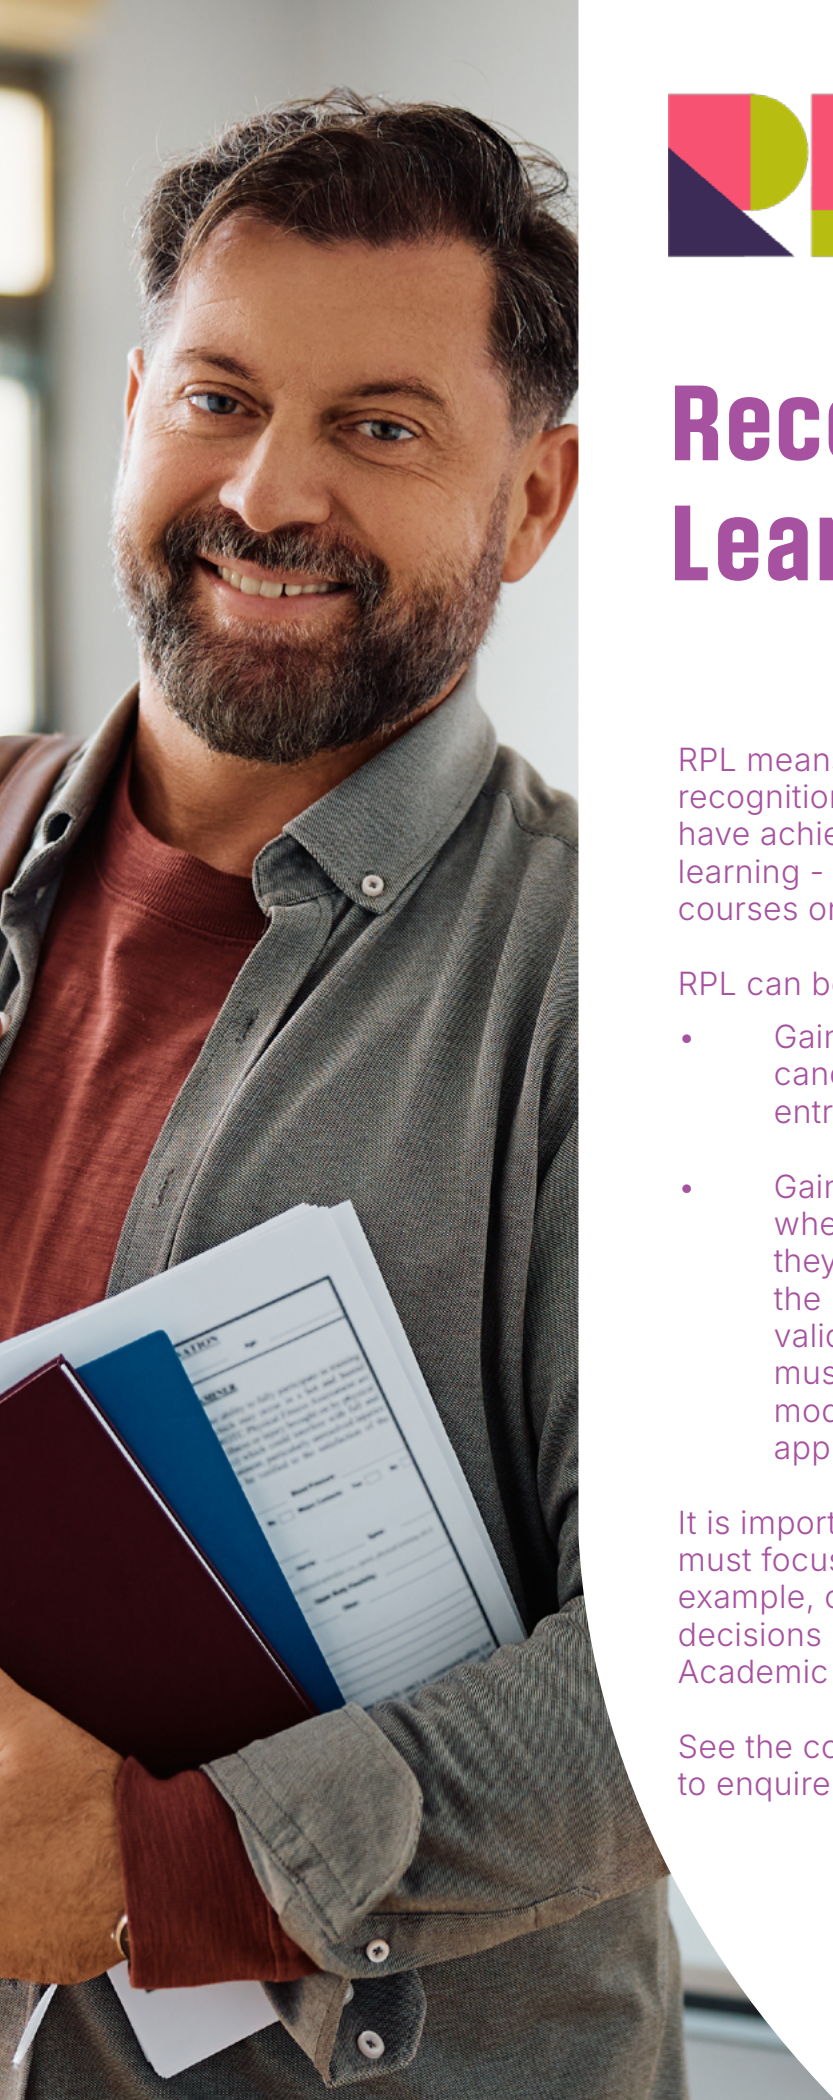

Designed with professionals, adult learners, career changers and organisations in mind, SETU Lifelong Learning offers flexible pathways that fit around work, family and personal commitments, without compromising academic excellence.

We combine the university-level teaching credentials of SETU with a supportive and inclusive approach. Through online, blended and part-time learning, our programme empowers people to develop new skills, build confidence, and create meaningful growth opportunities for themselves and their employers.

This is not simply about gaining qualifications. It's about people realising what they are truly capable of, about adapting with confidence to a world that is constantly changing.

Options and Opportunities

Recognition of
Prior Learning

Your Learning Counts

Recognition of Prior Learning (RPL)

RPL means that you can get formal academic recognition for knowledge skills and competences you have achieved through previous formal or informal learning - from life, school, paid or unpaid work, short courses or learning at college.

RPL can be used by applicants to:

- Gain admission to a course by helping candidates show that they meet the academic entry requirements.
- Gain exemptions from module within a course where students can formally demonstrate that they have already met the learning outcomes for the modules concerned. To make a valid application for an exemption applicants must first pay the full fee applicable for the module. If the RPL application is successful applicants will be refunded 50% of the fee.

It is important to remember that any RPL application must focus on learning attained and not simply, for example, on time spent in a particular job. All RPL decisions must be validated by the relevant SETU Academic Department.

See the course contacts on each course page in order to enquire about an RPL application for that course.

Funded Part-time Courses 2026/27

There are hundreds of funded part-time places available at SETU each year. The main schemes of funded courses are outlined below. Please see more information including the direct SETU contacts for each scheme at www.setu.ie/funded

Springboard+

Springboard funds courses up to 1 year that are very broadly open to people resident in Ireland / EU for 3 out of last 5 years. Funding for employed people is typically 90% of standard fee with unemployed/returners people 100% funded. See full listing on page 15.

SUSI Funding for Part-time Undergrad

SUSI funding is available for a prescribed list of part-time Higher-Certificates, Ordinary Degrees and Honours Degrees. Funding is subject to a means test but for those eligible it can potentially mean a fully-funded part-time higher education Major Award. See full listing on page 16-17.

Micro-credential Learner Fee Subsidy (LFD)

The Micro-credential Fee Subsidy Scheme funds courses from 5 - 20 credits up to 80% and with broad eligibility. Students can take up to 3 funded courses. See full listing on page 18.

Skillnets

Various Skillnets part-fund several SETU courses - rates vary but frequently 50%. Skillnet funding only available to employees in non public service jobs and funding must come through the employer. See full listing on page 19.

Tax Relief on Third-level Fees

Tax relief at 20% on third level is frequently available. The national Citizens Information website has good, clear guidance on this.

Springboard+ is co-funded by the Government of Ireland and the European Union.

Part-time Courses 2026/27

AGRICULTURE, HORTICULTURE & FORESTRY						
Level	Credits	Course Title	Admin Location	Funding, if available	Duration	Delivery
9	90/60	Master of Science/Postgraduate Diploma in Organic and Biological Agriculture	WD	Skillnet	2 years	Blended
		Embedded Certificates in: Soil Health and Water Management; Crop Management in Organic and Biological Agriculture; Livestock Management in Organic and Biological Agriculture; Food, Health and Nutrition; Agroforestry and Landscape Biodiversity; Project Management and Marketing				
9	90/60	Master of Science/Postgraduate Diploma in Organic and Biological Horticulture	WD	Skillnet	2 years	Blended
		Embedded Certificates in: Crop Management in Organic and Biological Horticulture, Protected Crop Production in Organic and Biological Horticulture, and Management Practices for Landscape Biodiversity				
9	90	Master of Science/Post Graduate Diploma Sustainable Agri-Food Systems	WD		2 years	Blended
Short Courses / Microcredentials in Agriculture, Horticulture & Forestry						
9	10	Certificate in Sustainable and Resilient Agri-Food Supply Chains	WD	Microcred LFS	1 semester	Blended
9	10	Certificate in Circular Bioeconomy in Agri-Food Systems	WD	Microcred LFS	2 semester	Blended
9	10	Certificate in Global Agri-Food Systems	WD	Microcred LFS	3 semester	Blended
7	20	Certificate in Forest Operations	WD		1 year	Blended
7	10	Certificate in Garden Management and Plant Selection	WD/DUB		1 semester	On Campus (Kildalton)
7	10	Certificate in Landscape Design	WD/DUB		1 semester	On Campus (Dublin)
7	10	Certificate in Nursery Stock Production	WD/DUB		1 semester	On Campus (Kildalton)
7	10	Certificate in Sportsturf Science	WD/DUB		1 semester	On Campus (Kildalton)
7	10	Certificate in Sustainable Food Production	WD		1 semester	On Campus (Dublin)
7	5	Plant Protection (module: re Professional User of Pesticides status)	WD		1 semester	On Campus (Kildalton)

ARCHITECTURE						
Level	Credits	Course Title	Admin Location	Funding, if available	Duration	Delivery
Short Courses / Microcredentials in Architecture						
7	10	Certificate in Advanced CAD and 3D Modelling	CW		1 semester	Online
6	10	Certificate in Introduction to CAD and 3D Modelling	CW		1 semester	Online

ARTS & SOCIAL STUDIES						
Level	Credits	Course Title	Admin Location	Funding, if available	Duration	Delivery
9	90	Master of Arts in Child, Youth and Family Studies	CW		2 years	Online
		Embedded Certificates in: Addiction Studies; Perspectives on Family and Society; Psychology in Practice; Children's Rights and Child Protection; Adult and Community Education				
9	90	Master of Arts in Social Justice and Public Policy	WD		2 years	Blended (Dublin)

Level	Credits	Course Title	Admin Location	Funding, if available	Duration	Delivery
Short Courses / Microcredentials in Arts & Social Studies

9	60	Postgraduate Diploma in Professional Nursing	WD		1.5 years	Blended
8	60	Bachelor of Science (Honours) in Nursing Studies for Clinical Practice	WD		1 year	Blended
Short Courses / Microcredentials in Nursing, Health & Psychology						
9	30	Certificate in Professional Nursing	WD		15 months	Blended
9	10	Certificate in Management for Healthcare Professionals	WD		1 semester	Blended
9	10	Certificate in Palliative Care for Healthcare Professionals	WD		1 semester	Blended
9	10	Certificate in Respiratory Care Skills (Intellectual Disabilities)	WD		1 semester	Blended
9	10	Certificate in Advanced Comprehensive Health Assessment	WD		1 semester	Blended
8	20	Certificate in Emergency Nursing	WD		1 semester (January)	Blended
8	20	Certificate in the Management of Occupational Stress and Wellbeing	WD		1 year	Online
8	10	Certificate in Management and Leadership for Healthcare	WD		1 semester	On Campus (Waterford)
8	10	Certificate in Clinical Pre-Assessment for Nurses & Midwives	WD		1 semester (January)	On Campus (Waterford)

SCIENCE						
Level	Credits	Course Title	Admin Location	Funding, if available	Duration	Delivery
9	90	Master of Science/Postgraduate Diploma in Analytical Science with Quality Management	WD		2 years	Blended
		Embedded Certificates in: Green and Sustainable Pharmaceutical Production; International Regulatory Affairs; Advanced Spectroscopic Techniques; Advanced Chromatographic Techniques; Advanced Materials Characterisation; Advanced Drug Formulation Science; Statistics and Data Analysis; Biopharmaceutical Science & Cell Culture; Food Safety and Analytical Microbiology; Strategic Quality Management				
9	90	Master of Science in Pharmaceutical Regulatory Affairs	CW	Springboard+	1 year	Online
9	90	Master of Science in Medical Device Regulatory Affairs	CW	Springboard+	1 year	Online
8	60	Bachelor of Science (Hons) in Good Manufacturing Practice and Technology	WD	Skillnet	1 year	Online
7	60	Bachelor of Science in Good Manufacturing Practice and Technology	WD	SUSI	1.5 years	Blended
6	120	Higher Certificate in Science in Good Manufacturing Practice and Technology	WD		2 years	Blended

Level	Credits	Course Title	Admin Location	Funding, if available	Duration	Delivery
Short Courses / Microcredentials in Science						
9	30	Certificate in Advanced Analytical Techniques	WD	Springboard+	1 year	Blended
9	10	Certificate in International Regulatory Affairs	WD	Springboard+	1 semester	Blended
9	10	Certificate in Regulatory Affairs Quality Management and Strategy	CW		1 semester	Online
9	10	Certificate in Medical Device Technologies: Design, Development and Testing	CW		1 semester	Online
8	10	Certificate in Industrial Microbiology and Biopharmaceuticals	CW	Microcred LFS	1 semester	Online

SPORTS MANAGEMENT

Level	Credits	Course Title	Admin Location	Funding, if available	Duration	Delivery
Short Courses / Microcredentials in Sports Management						
6	20	Certificate in Community Sports Coaching	CW		1 semester	Online

SPORTS SCIENCE

Level	Credits	Course Title	Admin Location	Funding, if available	Duration	Delivery
9	90	Master of Science in Applied Sport and Exercise Psychology	WD		1.5 years	Blended
Short Courses / Microcredentials in Sports Science						
7	20	Certificate in Long-Term Conditions Exercise Instruction	WD		1 year	Blended
7	10	Certificate in Applied Sports Psychology	WD		1 semester	Online
7	10	Certificate in Strength and Conditioning	CW		1 semester	Blended
6	5	Certificate in Introduction to Sport and Exercise Psychology	CW		1 semester	Online
