

SUSI Funding for Part-time Courses 2025/26

SUSI fee contribution grants are now available to eligible students for a number of **approved part-time SETU undergraduate courses**.

The scheme sets out maximum fees that any part-time student should have to pay directly themselves. If their course fees are over that amount then the SUSI funding scheme will pay the balance – please see worked examples on the SUSI website. The value of funding is determined by the number of credits undertaken during the academic year. The funding is available only to part-time students whose total reckonable **gross household income** must be within specific income thresholds.

There are also **eligibility conditions** related to:

- **Nationality** - you must be an Irish, EU, EEA, UK or Swiss national or have a specific immigration status or leave to remain permission from the Department of Justice.
- **Residency** - you must have been resident in the Irish State, the EU, EEA, UK or Swiss Federation for three of the last five years.

Full information on the scheme can be found at: www.susi.ie/funding-for-part-time-undergraduate-courses/

In terms of the **application process** the student:

- applies directly to SETU for a place on the course via www.setu.ie/parttime
- and separately applies directly to SUSI for the funding via www.susi.ie/funding-for-part-time-undergraduate-courses
