Position: Video Editor & On-Location Videographer

We are looking for a talented and reliable freelance **Video Editor / Videographer** to join our team.

Key Responsibilities:

- Edit high-quality videos using **Adobe Premiere Pro**
- Shoot professional video footage on location as and when required
- Handle full video production workflow: shooting, editing, color grading, adding graphics, audio mixing, and final delivery
- Work closely with the team to deliver videos that meet creative briefs and deadlines

Requirements:

- Strong expertise in **Adobe Premiere Pro**
- Experience with video shooting on location (DSLR/mirrorless cameras, lighting, audio equipment)
- Good understanding of video composition, pacing, storytelling, and post-production techniques
- Ability to work independently and under tight deadlines
- Basic filming equipment is a plus
- Portfolio showcasing both edited work and on-location shooting experience
