

SOUTH EAST TECHNOLOGICAL UNIVERSITY CONFERRING CEREMONIES

October/November 2025

CARLOW / WEXFORD / WICKLOW / WATERFORD

The Chancellor (or Pro-Chancellors) presides over the graduation ceremonies, the most special occasion at the University where we celebrate all that our newest graduates have achieved during their time at South East Technological University.

The Chancellor confers the awards to the graduate as part of the ceremony. This is a key ceremonial role for the Chancellor, marking the formal acceptance of the graduate into the academic community of the University. The graduate then signs the roll of graduates, formally recording their signature into the history of SETU.

Chancellor

Prof Patrick Prendergast

Pro-Chancellors

Mr Jim Bergin
Ms Eileen Curtis
Dr David Dempsey

President

Prof Veronica Campbell

Pro-Presidents

Dr Helen Murphy
Dr Patricia Mulcahy

President's Welcome

I am delighted to welcome you to South East Technological University (SETU)'s 2025 conferring ceremonies. This is a special week in our University's calendar - a time when we come together as family, friends, and staff to honour you, our new graduates, who have reached this academic milestone.

In addition to celebrating this year's graduates, we are also proud to confer honorary doctorate degrees on two individuals who have made an exceptional contribution to the south east region: Mr John Treacy, and

Ms Elizabeth Riordan-Coppin. I very much look forward to recognising their achievements and celebrating the impact they have made in their communities.

Your conferring ceremony is a celebration of your academic achievements, a moment to reflect on your student journey, and an opportunity to share your success with those who supported you throughout your studies. This day is also a celebration of the person you have become - shaped by experiences, relationships and learning.

As we navigate the challenges of 2025 and beyond, we look to you - the next generation of graduates, to seek solutions and resolve the complex issues facing the world with innovation, collaboration, and creativity. I have every confidence that you are ready to meet the challenges of the 21st century and to make your unique contribution to society based on your own vision for a better future for all.

As you sign your name in the SETU roll book, I hope you will look back fondly at your years at SETU as a memorable, challenging, and rewarding time - an experience that has prepared you for the many exciting adventures that lie ahead. You are now a graduate of SETU, ready to begin your next great adventure and to fulfil your life ambitions.

On behalf of everyone at SETU, I wish you every success in your future careers. Enjoy and celebrate reaching this wonderful milestone.

Professor Veronica Campbell
SETU President

Fáilte ón Uachtarán

Tá áthas orm fáilte a chur romhaibh chuig searmanais bronnta Ollscoil Teicneolaíochta an Oirdheiscirt (SETU) 2025. Is seachtain speisialta í seo i bhféilire na hOllscoile - tráth a dtagaimid le chéile mar theaghlach, mar chairde, agus mar fhoireann chun onóir a thabhairt daoibhse, ár gcéimithe nua, ag a bhfuil an chloch mhíle acadúil seo bainte amach.

Chomh maith le céimithe na bliana seo a cheiliúradh, táimid bródúil as céimeanna dochtúireachta oinigh a bhronnadh ar bheirt a rinne rannchuidiú as cuimse le réigiún an oirdheiscirt: An tUasal John Treacy, agus an Bhean Uasal Elizabeth Riordan-Coppin. Táim ag súil go mór le haithneas a thabhairt dá n-éachtaí agus ceiliúradh a dhéanamh ar an tionchar a bhí acu ina bpobail.

Is ceiliúradh ar bhur n-éachtaí acadúla é an searmanas bronnta. Is nóiméad é chun súil siar a chaitheamh ar bhur n-aistear mar mhic léinn agus deis chun bhur rath a roinnt leo siúd a thug tacaíocht daoibh agus sibhse i mbun staidéir. Is ceiliúradh é an lá seo freisin ar na daoine a rinneadh díbh - arna mhúnlú ag eispéiris, caidrimh agus foghlaim.

Agus sinne ag dul i ngleic le dúshlán na bliana seo, 2025, agus ina dhiaidh, táimid ag fáachaint oraibhse - an chéad ghlúin eile de chéimithe, chun réitigh a lorg agus na saincheistanna casta atá os comhair an domhain a réiteach le nuálaíocht, le comhoibriú, agus le cruthaitheacht. Tá lánmhuinín agam go bhfuil sibh ullamh chun aghaidh a thabhairt ar dhúshlán an 21ú haois agus chun bhur rannchuidiú ar leith a dhéanamh leis an tsochaí, bunaithe ar bhur bhfhís féin, ar mhaithe le todhchaí níos fearr do chách.

Agus sibhse ag cur bhur n-ainmneacha i leabhar rolla SETU, tá súil agam go mbreathnóidh sibh siar go ceanúil ar na blianta atá caite agaibh ag SETU mar thréimhse dhúshlánach, luachmhar ar fiú cuimhneamh uirthi, agus mar eispéireas a d'ullmhaigh sibh do na heachtraí spreagúla ar fad atá romhaibh. Is céimithe de chuid SETU sibh anois, agus tá sibh réidh chun tabhairt faoin chéad eachtra iontach eile agus chun uailmhianta bhur saoil a bhaint amach.

Thar ceann gach duine ag SETU, guím gach rath oraibh i bhur gcuid gairmeacha amach anseo. Bainigfí taitneamh as an chloch mhíle iontach seo a bhaint amach agus déanaigfí ceiliúradh air.

An tOllamh Veronica Campbell
Uachtarán SETU

SETU Academic Colours

Academic colours are the unique gowns and hoods that university graduates wear. They are specific to the University and should be proudly worn as a symbol of the graduate's sense of belonging to the academic community of the University.

SETU graduates will wear the traditional black bachelors' gowns and masters' gowns combined with the uniquely designed SETU hood. This hood is recognisable by a trailing drape that forms a subtle U shape symbolising the SETU crest.

The hoods use three colours interchangeably, blue, green and yellow. These colours were selected to represent three enduring features of the south east, that of water, land and sun.

University blue forms the outer colour of the hood with green and yellow forming the internal colours. For certificate and ordinary degree awards, the hood has a slight band of yellow framing the green. This yellow band grows in size for the level 8 awards and the green and yellow bands transpose for the Master awards.

Doctoral awards draw on the traditional crimson red gown but uniquely continues the theme of yellow into the gown design with a fine stripe down the front of the gown. The doctoral hood outer colour also changes to red but yellow is continued onto the insert of the hood and framed again with the university blue. Where honorary doctoral awards are made, the doctoral gown will also have a university blue stripe down the front connecting the gown to the university community.

The academic officers of the University also wear specific gowns. The Chancellor's gown is a gilded black gown that represents the importance of the conferring ceremony. The gown displays the SETU crest on the back of the gown in gold and more subtly on the sleeves of the gown. The President's gown is a similarly gilded black gown but with a front façade of university blue, connecting the President to the academic colours of the community. The gown also has the SETU crest subtly displayed on the sleeves of the gown. The University blue colour is carried through to the Vice President of Academic Affairs own where it is more prominently displayed on the sleeves.

Traditionally, the Head of each faculty calls the names of the graduates for conferring and they will wear the academic colour of their own graduating university.

Our faculty members will wear gowns that represent their own academic heritage and disciplines, showcasing the diverse spectrum of knowledge within our University.
