

Independent Learning Project (10 Credits, Level 9)

Aim of Module	<p>This module of negotiated learning aims to allow students to deepen their understanding of a chosen, relevant topic. Successful completion of this module will demonstrate their ability to self-manage their learning, self-evaluate, reflect on practice, and respond to constructive guidance. Students will choose an area of interest and relevance to their continued personal and professional development. This module is process-driven rather than content-oriented, thus allowing students to reflect on their learning and critique the process of enquiry in which they are engaged.</p>
Module Learning Outcomes	<p>On successful completion of this module, you will be able to:</p> <ul style="list-style-type: none">• Reflect critically on your own learning• Critically assess your capacity for intellectual growth• Self-evaluate and take responsibility for your own continuing professional and personal development• Demonstrate the acquisition of new knowledge and understandings are relevant to your topic area• Appraise the implications for practice of your newly acquired knowledge• Disseminate your learning to a group of peers.
Mode of Assessment	<p>100% Continuous Assessment</p>
